MESSAGE

Odisha Adarsha Vidyalaya Yojana is a new flagship initiative of Government of Odisha to provide quality teaching in English medium of instruction at Secondary & Higher Secondary level for the talent in semi urban or rural areas who are unable to afford to English medium education. Each Adarsha Vidyalaya has appropriate Pupil Teacher Ratio, holistic educational environment, appropriate curriculum as approved by CBSE and emphasis on output and outcome. Co-curricular & extra-curricular activities besides academics are encouraged in these Vidyalayas. The school will have classes from VI to XII gradually.

It has a mandate to open 314 Odisha Adarsha Vidyalayas in 314 blocks of the state. The project has been launched on 1st April, 2016 and 214 Odisha Adarsha Vidyalayas have been made operational so far, out of which 30 have been upgraded to Senior Secondary level. The students of 100 Odisha Adarsha Vidyalayas have appeared the CBSE examination in 2019 and 82.5% of students have come out successful. All efforts have been made to make Adarsha Vidyalayas a centre of excellence. There is proposal to open 36 new OAVs and upgrade 30 existing OAVs to Senior Secondary level from the next academic session 2020-21.

I hope the collaborative effort of Parents, Teachers, Principals & students will make the project successful and thousands of deserving students of rural area will avail the benefit of the new scheme of Government.
