A QUARTERLY NEWSLETTER OF OAV JAMIRDIHA, BISOI VOL: 01 SPRING 25-26

Principals message

It is a source of great pride and satisfaction for **Odisha Adarsha Vidyalaya (OAV) Jamirdiha, Bisoi**, to release our newsletter, '**ZUMID**'.

Our school has made tremendous progress in various fields, including academic, co-curricular, and extracurricular activities. In a rural area like Biso, Mayurbhanj, growth and development present unique challenges; however, the continuous efforts of our students and teachers have made this success possible.

I am confident that this issue will send a positive signal to our staff, students, and everyone interested in our school's initiatives. A newsletter serves as a mirror, reflecting the diverse activities undertaken by our team and showcasing the creative writing skills of both our students and faculty.

I congratulate the staff and students for their fruitful efforts and dedication.

With Best Wishes.

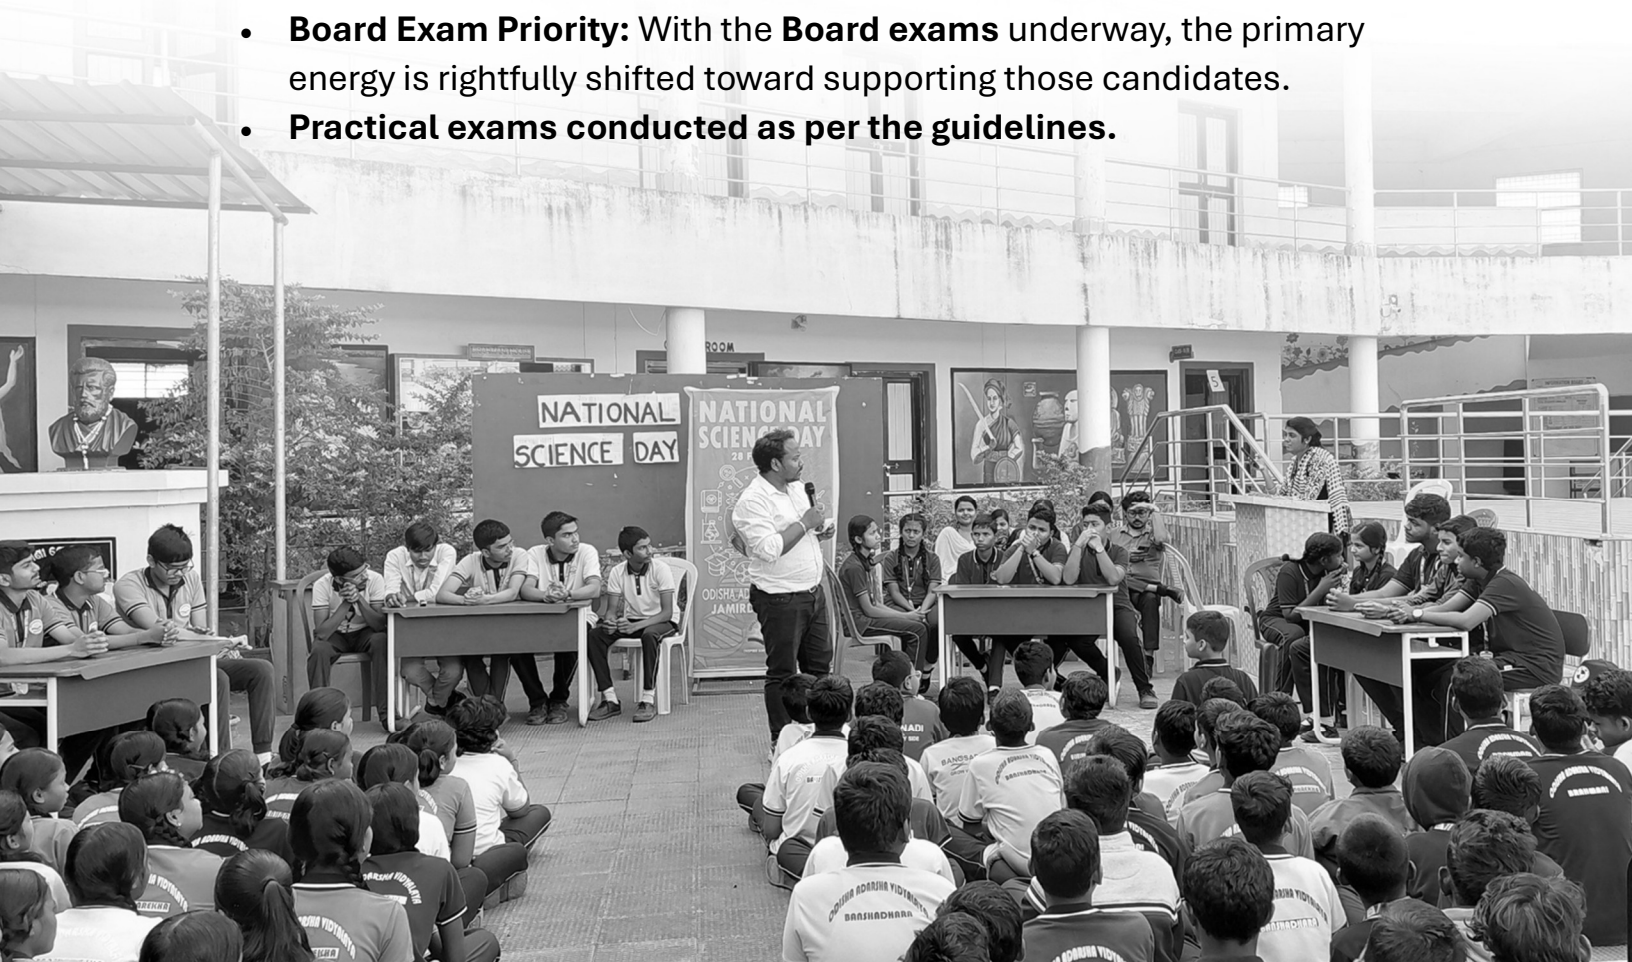

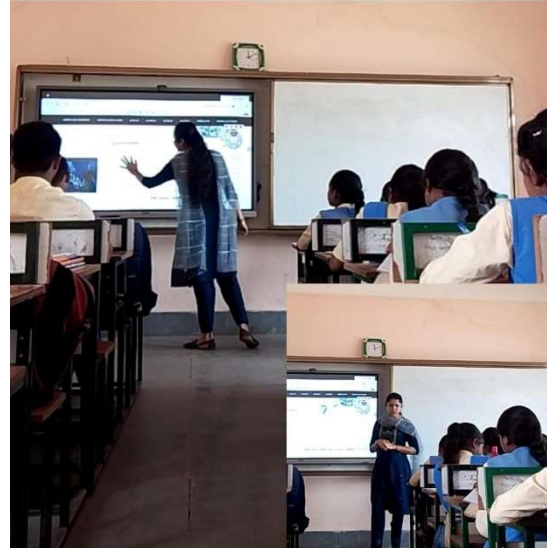

Gurudeb Sethi

Principal, OAV Jamirdiha, Biso

GRACE WITH GRIT

She learns, she reads, she dares to stand
Building the future with her hand.
Her voice once soft now breaks the night,
A flame of truth, a force of right.

She stands for truth, when voices shake
For dreams the world said she should break
Through tears she smiles,
Through tears she goes

In a court of silence, cold and wide
She stood alone, her truth her guide
When voices failed and justice slept
Her faith stood tall - in spite of all wept...

DREAMS

Dreams are quiet promises
Whispered to the heart at night,
They glow like tiny candles
In moments dark and tight.

Some dreams walk beside our fears,
Some wait for courage to grow,
They fall, they rise, they guide us
Through paths we don't know.

Dreams are not just sleeping thoughts,
They wake us every day,
Turning hope into hard work
That slowly shows the way.

So hold your dreams with patience,
Let effort shape their seams,
For life begins to change its course
When we believe in dreams.

A NATION'S STRENGTH

Not gold, but only men can make
A people great and strong...
Men who for truth and honour's sake
Stand fast and suffer long
Brave men who work while others sleep
Who dare while others fly...
They build a nation's pillars deep
And lift them to the sky.

~ RALPH WALDO EMERSON

... National War Memorial ...

In Bharat's heartland, a grand sight to behold,
The National War Memorial, honours brave stories retold.

With respect and grace, it stands with pride,
Each name etched, each stone, each story to confide.

From battle fields to skies, and to oceans wide,
They stand for Bharat, side by side.

The eternal flame, in silence it glows.
Paying homage to their courage that shows.

Their sacrifice, always in our mind.
In blessed memory, forever remind.

With pride and respect, let's always remember,
At the National War Memorial, their sacrifice forever.

Our student Ayush Kumar Dey Receiving 1st prize at State Level Science Exhibition held at Keonjhar.

Food is not just something we eat; it is the flavor of our culture and tradition. This activity develops the skills of not only food production but also marketing and representation. In our school, we organized a food exhibition on 22.11.25 in which many students brought food from their homes and sold it. It was a wonderful feeling to see the numerous ideas of students and their cheerful mood.
