CERTIFICATE FOR STRUCTURAL STABILITY

With respect to the building work of erection, re-erection or for making alteration in the building on Plot No. 1746 Khata No. 241/1 Village/Mouza Keshrajpore Tahasil Boden of Grama Panchayat Sunapur.....I certify that the structural plan and details of the building submitted for approval satisfy the structural safety requirements for all situations including natural disasters like cyclone and earthquake etc., as applicable, as stipulated under Para.6(Structural Design) of the National Building Code of India, 2005 and other relevant codes :

And the information given therein is factually correct to the best of my knowledge. I undertake responsibility with regard to supervision of the work at each stage of construction, (after laying of foundation and after casting of each floor) and submit the report to Grama Panchayat regularly to effect that the building is being constructed conforming the approved plan and as per the structural plan prepared by me. I will be responsible and liable for action by Grama Panchayat. If the plan/design contain misrepresentation or fraudulent information and the construction is made in deviation of approved plan or if there is any structural failure due, to wrong/unsafe structural design, use of low quality material and/or poor workmanship endangering the inmates and public.
